JOKES

Things we would NEVER KNOW without the movies:

- All telephone numbers in America begin with the digits 555.
- All grocery shopping bags contain at least one stick of French bread.
- Once applied, lipstick will never rub off – even while scuba diving.
- If a large pane of glass is visible, someone will be thrown through it before long.

And finally ...

- If staying in a haunted house, women should investigate any strange noises in their most revealing underwear.
