Hello Everyone!

For those who don't know me, my name is Maritza Arizaga, and I'm the Lieutenant Governor for Division 8. I am a senior at Grand Valley High School which is located in Parachute Colorado. I would like to begin by saying that there are many amazing plans for Division 8 this coming year. Among them include; chartering new Key Clubs, increasing District and International awareness, strengthen the bond among our clubs, and most importantly, having fun! I hope you can join me in this adventure and make it all possible.

Summer is here and school is out, but, I still suggest you maintain an active Key Club spirit. Summer provides a great atmosphere for great service projects that can help your community in many ways. It is also a great opportunity to invite the upcoming freshmen to these events and acquaint them to the High School environment. Most importantly, summer projects can provide a very strong connection with club members throughout the entire summer.

On another note, I would really like to have all your monthly reports. Make sure you turn those in every month. They're very important because it's the only resource I have of your club's activities. Please turn them in.

Officer Tips

Key Club officer's duty is quite simple a very fun. Mainly try to ensure that everything is well organized and energized with positive Key Club spirit. The best way to keep your club active and fully involved is through fun activities and icebreakers. It is also a good idea to provide food and snacks in your meetings. You want to make your meetings to be fun and exciting, but also effective. Show that Key Club is all about service but also about having fun.

Below are some fun activities that can help increase enthusiasm and excitement in your club.

- ⚙ Ice Breakers
- ⚙ Rewards
- ⚙ Food/snacks
- ⚙ Guest speakers

Kiwanis is strongest branch of the K-family. Without the Kiwanis Club, Key Club would lack most of the support given. Make sure you attend Kiwanis meetings and show your local Kiwanis members that you care. They provide great support and are always there to help. Feel free to contact your local Kiwanis and invite them to Key Club events. Kiwanis members love to hear all the activities your local Key Club is doing. Perhaps even lend a hand when your Kiwanis is in need of assistance. Together, both, Kiwanis and Key club can make a great difference in your community.

Thank you Kiwanis for all your extraordinary kindness and benevolent help!!

THANK YOU!!!
