

P2P Key Club's New Builders Club Recruiting Booth

Kudos to P2P Key Club VP Tracy pictured below, who designed, setup and attends P2P Key Club and new Builders Club recruiting booth at school registration day 8/5/08. Other Key Club members attend the booth. An addition campaign will be held on Back-to-School night. Twenty new Key Club members signed for the new year. Ken and Tracy signed up 14 possible charter members of Key Club cosponsored P2P Middle SchoolBuilders Club. In addition 12 parents indicated serving on a Builders Club Advisory Support Committee. A great response and credit to the supportive parents and school officials.

A meeting is scheduled with the School principal for School Sponsorship. A school advisor is being recruited. Gary Jaycox will be the Kiwanis advisor. The Builders Club will be cosponsored with the Kiwanis Club of Boulder.
